

Infra Red Thermometer

IR40

Real time max. temperature reading

Auto power off

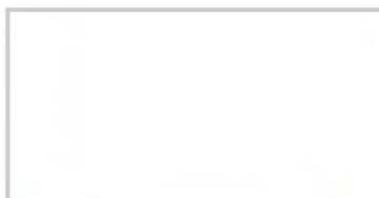

LCD backlight

Selectable °C or °F units

Low battery indication

Specifications:

Temperature Range	: -50°C to 400°C (-58°F to 750°F)
Distance to Spot	: 9 : 1
Display Resolution	: 0.1°
Best Accuracy	: ± 1.0°C (1.8°F)
Response Time	: 1 second
Spectral Response	: 5 ~ 14µm
Fixed Emissivity	: 0.95
Laser Sighting	: Single point diode laser < 1mW
Operating Temp.	: 0°C to 50°C
Size	: H175xD39xW72 mm
Power	: 2 x 1.5V(AAA battery)
Weight	: 179 g
Optional Accessory	: Soft case

- One year warranty for unit and sparepart
- Calibration / verification facility using certified Black Body by IRtek Australia
